- ***You may kindly bear in mind that the Bar Council of India is the sole and supreme sanctioning authority for seats and it does not allow any supernumerary quota of seats for law degree courses, over and above the sanctioned strength of seats and whatever reservation of seats is to done by the University under whichever quota as a rule has to be done within sanctioned strength of seats. The only supernumerary quota, as of now permitted by the Bar Council of India, is 10 percent seats in EWS quota over and above the sanctioned strength of seats allotted/approved by BCI and that too, is subject to adequate infrastructure and qualified faculty to accommodate the supernumerary seats. The same is required to be adhered to. If there is any default on such part and the same is discovered subsequently, action shall ensue which includes revocation of approval granted.***

- ***The CLE is advised to declare the same voluntarily for consideration of the same in a manner which will not be detrimental to interests of the students admitted, if any, over and above the sanctioned seats as a one time opportunity. The same shall not be construed to be applied prospectively.***

- ***It is pertinent to point that no University in India can offer a 4 yearLL.B or integrated LL.B, followed by a 1 year LL.M in tie up with a foreign University under the present BCI regulations. Such a Law degree, nor the post qualification after it, is recognised by Bar Council of India. The BCI only recognizes the pattern of a 12th class +3 (graduation in any stream+3 (year Law degree) and/or a 12 + 5 year integrated law degree.***

Deepak Kumar
Assistant Secretary

- *While exchange programs of teachers and students have been undertaken by Centers of Legal Education including, Law Universities in India, Dual Degrees or joint Degrees with Foreign Universities have not been permitted or recognized by BCI. It is essential to emphasize that any foreign collaboration involving legal education institutions, must strictly adhere to the regulatory framework established by the Bar Council of India. It cannot compromise on the quality of legal education mandated by the BCI It's worth noting that unless a degree is recognized by the BCI in India, it holds no validity within the country. Therefore, a degree obtained from an Indian University, being recognized solely in a foreign jurisdiction, without recognition in India, would be of no consequence to the university or its students.*

- *Recognition and approval of law degrees are exclusively within the purview of the Bar Council of India. Consequently, if, upon thorough evaluation it is determined Law degrees are being issued by Universities against the rules and norms of Bar Council of India, recognition of such degree/s shall be withdrawn and such degree holders shall not be entitled to be enrolled in any State Bar Council in India.*

- *BCI and it's Legal Education Committee have time and again reiterated, stated and clarified, that it does not recognise LL.B and/or LL.M or any Law degree course through online mode, correspondence, open and/or distance learning mode.*

- *It has further come to the attention of the Bar Council of India and its Legal Education Committee that certain institutions are offering Master of Arts (MA) programs with a Law subject, in open and distance learning mode, or online mode which attempts to mimic the structure and content of a Master of Laws (LL.M.) program. Upon careful examination, it has been observed that such an endeavor is beyond the scope and intent of a Master of Arts Degree and is deemed impermissible. It is hereby clarified that such MA degrees will not be recognized by the BCI as equivalent to a Master of Laws (LL.M.) degree and for the purpose of teaching of LL.B. Course.*

- *It is crucial to clarify that the designation "MA" signifies "Master of Arts," whereas "LL.M." represents "Legum Magister," a Latin term denoting a "Master of Laws" Degree. The distinction between these two titles is significant, as an LL.M. degree is specifically tailored for graduates of law programs, whereas an MA degree encompasses a broader range of academic disciplines and is separate and distinguished from Master of Laws Degree. It is a deliberate attempt to bypass LL.M. in such a manner.*

- *The BCI emphasizes that an MA degree with a Law subject does not confer the same benefits or privileges as an LL.M. degree. Individuals holding an MA degree in Law will not be entitled to the benefits typically associated with possessing an LL.M. degree, nor will they be eligible to teach in LL.B degree programs. Pursuit of legal education at the postgraduate level, in the form of an LL.M. degree, is restricted to individuals who have completed their undergraduate legal studies while it is clarified that any specialized branch of law offered at the master's level, without the*

LL.B./BA.LLB qualification as the requisite entry-level credential, shall not be recognised as equivalent to an LL.M. degree.

- ***It is imperative for all stakeholders in the legal education sector to understand that the distinction between an MA degree and an LL.M. degree is significant. An MA degree with a Law subject does not fulfill the requirements for recognition by the BCI as a qualification equivalent to an LL.M. degree.***
- ***This serves to clarify the position of the BCI on the recognition of MA degrees with a Law subject and to prevent any misconceptions regarding their equivalence to LL.M. degrees.***
- ***The BCI and its Legal Education Committee has further also observed that running an MA (with Law subject) by any such mode is an attempt to mimic an LL.M, which is also not permitted by such mode.***
- ***It has also been brought to the notice of Bar Council of India that some entities claiming to be Centre of Legal Education are offering courses through distance education/correspondence mode, under the nomenclature of the degree of LL.M. or LL.M. professional, where anyone even without LL.B. can get an LL.M. degree, and, the same persons are also getting registered for Ph.D., appearing for UGC NET etc. thereby diluting quality of legal education.***
- ***This is an illegal practice and Bar Council of India shall not hesitate in taking stringent action against such centres.***

RELEVANT SUPREME COURT AND HIGH DIRECTIONS INCLUDED IN ORDERS/JUDGEMENTS AND OTHER RELEVANT ASPECTS ARE AS FOLLOWS

Recently The **Bombay High Court, in its judgment dated 2nd April 2025 in the case of Smt. Nathibai Damodar Thackersey Women's University Law School vs. State of Maharashtra & Ors., W.P. No. 1501 of 2019,** reiterated and upheld the statutory powers and duties of the Bar Council of India under the Advocates Act, 1961, particularly in the context of regulating legal education. The petition had challenged several provisions of the Rules of Legal Education, 2008 framed by the BCI, and questioned the authority of the BCI to inspect law colleges affiliated to universities.

The Court emphasized that the BCI has a paramount statutory duty to maintain standards of legal education in the country. It observed, *"From perusal of Sections 7(1)(h), (i), (l) and (m) of the Act of 1961, it is evident that the maintenance of standards of legal education is the paramount statutory duty of the BCI"*. Further, it reaffirmed that the power of inspection is not restricted to universities alone but extends to all Centres of Legal Education, including law colleges affiliated to universities. The Court stated, *"The petitioner law school cannot claim any immunity from inspection by the Bar Council"*.

The judgment clarified the legal interpretation of Section 49(1)(d) of the Advocates Act, 1961, which grants BCI rule-making power to maintain standards in legal education. The Court held that the rule-

Deepak Kumar
Assistant Secretary

making power under this section is both general and specific, noting that, *"Section 49(1) confers particular powers without prejudice to generality of general power already conferred and therefore, particular powers are only illustrative of general power and do not in any way restrict the general power"*. This interpretation enabled the Court to uphold the validity of the contested Rules under the 2008 framework, specifically Rules 2(iv)(a), 2(xii)(B), 14, 16(2), 18(2), 19(ii), 19(iii), and 26(a), declaring them intra vires the parent statute.

Importantly, the Court also addressed the relationship between the Advocates Act, 1961, the Maharashtra Public Universities Act, 2016, and the University Grants Commission Act, 1956. It held that where there is a conflict, the Advocates Act prevails, stating, "Even assuming that there is an inconsistency between the provisions of the Act of 2016 and the Act of 1961, the provisions of the Act of 1961 will prevail as they have been enacted by the Parliament"

The Court dismissed the petition and upheld the BCI's authority to regulate and inspect law colleges, reinforcing that the statutory framework established by the Advocates Act, 1961 and the Rules of Legal Education, 2008 are legally sound and necessary for maintaining the quality of legal education in India. It stated unequivocally, *"The challenge made in the petition to the Rules of 2008 being ultra vires the parent Act is without any basis"*.

✓ ***The Kerala High Court in the case of Indira Gandhi Memorial Trust Vs. State of Kerala, W.P. (Civil) No. 34303/2023 vide its order dated 12th December, 2023 held that if a College intends to start a course during the academic year 2023-24, the application before the Bar Council has to be submitted before 31.12.2022In effect, if an affiliation is granted by the University for a particular academic year, beyond such timeline, the same cannot be produced before the Bar Council of India for starting the course in the very same academic year going by the time schedules that are kept by the Bar Council of India.***

The Hon'ble court directed the University to extend the affiliation dated 20.07.2023 issued for the academic year 2023-24 to be valid for the academic year 2024-25 and comply with the time schedules that are kept by the Bar Council of India.

Therefore, in view of the above, universities are directed to adhere to the above timeline or to any timeline notified by the Bar Council of India before each academic year for providing affiliation to any Centre of Legal Education.

✓ ***The Division Bench of the Hon'ble High Court of Mumbai at Nagpur, in the Writ Petition Number 1114/2018 vide Judgment dated 08.04.2020 in re RashtrasantTukdoji Maharaj Nagpur University and others vs. State of Maharashtra and others (AIR 2020 Bom 135), upheld the constitutional validity of Rule 2(xxiv)"Regular Approval" means approval for not more than five years and includes permanent approval earlier granted to any Centre of Legal Education before these Rules come into force.***

Deepak Kumar
Assistant Secretary

The Court observed that approval of educational institutions is procedural, and the approval granted is in the nature of an existing right rather than a vested right. Legal education, the Court noted, is a dynamic process that requires maintaining standards, which cannot be confined to any time frame or remain static.

The Madhya Pradesh High Court has recently on 07.03.2025 in Vyom Garg Case, which pertains to enrolment of those candidates who have obtained their degree from CLEs not approved/recognised by Bar Council of India, passed an order deterring malpractices and administrative laxity by Centers of Legal Education, it has held that Institutions found enrolling students without valid BCI approval now face the real threat of criminal prosecution. CLEs are now under clear judicial warning to comply strictly with BCI norms, including timely fee payments and adherence to affiliation and approval of affiliation by BCI procedures. Failure to comply not only results in loss of recognition but also exposes the institutions to legal consequences and reputational damage. This, stresses on disciplined legal education governance, with zero tolerance for institutions that jeopardize students' futures through non-compliance of BCI Rules of Legal Education Rules.

***The Hon'ble Supreme Court in the case of Bar Council of India Vs. Rabi Sahu, Civil Appeal No. 8571/2013 vide its order dated 9th June, 2023** has held that in view of the Bar Council of India Rules, Part IV-Rules of Legal Education, 2008 prescribed by Bar Council of India, only graduates from recognized/approved Centres of Legal Education (Universities, University Departments, Constituent Units, Colleges etc.) by the Bar Council of India can be enrolled as advocates*

*As per the order of the **Hon'ble Supreme Court of India dated 29.08.2019 passed in Writ Petition (Civil) No.1510 of 2018, titled as Vinit Garg Vs. University Grants Commission and as per the earlier order of Hon'ble Supreme Court of India dated 03.11.2017 passed in Civil Appeal Nos.17869-17870**, arising out of **SLP No. 19807-19808/2012 in the case of Odisha Lift Irrigation Corp Ltd. Vs Ravi Shankar Patro & Ors.**, the Hon'ble Supreme Court has held that an University has to obtain permission from the concerned regulatory body for initiating/starting, opening and conducting any distance learning course/s.*

***As per UGC Regulations 4(A)(iv), (Open and Distance Learning Programmes & Online Programmes) Regulations, 2020**, the Higher Educational Institution must have the approval or recommendations of the statutory or regulatory authority, in this case, the Bar Council of India (BCI), for offering law programs in Open and Distance Learning mode or Online mode.*

Deepak Kumar
Assistant Secretary

Explanation: Programmes as mentioned at clause (iv) shall be considered only when these are recommended by the respective statutory or regulatory authority or regulatory council to offer in Open and Distance Learning mode or Online mode, as applicable....."

Furthermore, the <u>Distance Education Bureau under UGC</u> explicitly prohibits courses in engineering, law, medicine, dental, pharmacy, nursing, architecture, physiotherapy, applied arts, and other such programs from being offered through online mode without approval from the respective statutory or regulatory bodies.

Some Universities, including some reputed Universities are running such programs in flagrant violation of clear directives and guidelines as stipulated above and without even having made a request or application to BCI in this regard. It is categorically made clear, such programs have no recognition and/or approval from BCI.

Agenda Item No. 13: Discussion on Evaluation, Assessment and Examination System

The Dean School of Legal Studies mentioned that End Term with adequate weightage should be there in every module. She asked how Question Papers finalised and answer sheets evaluated.

The Chairperson told that faculty teaching the module prepares the question paper. Question paper forwarded to examination department. Examination department calls moderation meeting and in that meeting it is approved. If it is not up to the mark it will send back to the faculty for review and then forward it according to the recommendations of the moderation committee.

The Chairperson told the members that here we conduct 10% sample marking to know whether the faculty has given the high marks or low marks. If second evaluator marking exceeds 10% marks in all the samples then 100% sheets will be evaluated again. If 4-5 % sheets marks exceeds then there is no need for re-evaluation. On the other hand if marking of second evaluator decreased 10% marks in all the samples then the problem arises. In that case 100% sheets will be evaluated again. We follow the practice that the result declared is provisional subject to the approval of the examination board.

The Chairperson moved a resolution for the approval of "Examination Policy Manual"

All the members present in the meeting unanimously passed the resolution and approved the Examination Policy Manual subject to any modification.

Tax Deduction at Source (TDS)

- As per section 206AA introduced by finance (No.2) Act, 2009 wef 01.4.2010, every person who receives income on which TDS is deductible shall furnish his pan, failing which TDS shall be deducted at the rate of 20% (as against 10% which is existing TDS rate) in case of domestic deposits and 30% plus applicable surcharge and health and Education Cess in case of NRO deposits". Please further note that in the absence of PAN as per CBDT circular no: 03/11. TDS certificate will not be issued. In absence of PAN. Form 15G/15H and other exemption certificates will be invalid even if submitted and TDS at higher rate will be applicable.
- Every person who has been allotted a Permanent Account Number (PAN) and is eligible to obtain Aadhaar number, must link their PAN with Aadhar as per provisions of Section 139 AA of the Income Tax Act 1961. Further non linking of PAN with Aadhaar shall make PAN "inoperative" and may attract higher TDS rate post the date as notified by CBDT.
- TDS rate is applicable from time to time as per the IT Act, 1961 and IT rules. The current rates applicable for TDS would be displayed on Bank's website. Today, TDS is recovered when interest payable or reinvested on FD & RD per customer, across all Branch, exceeds Rs 40,000/- (Rs. 50,000/- for senior citizen) in a Financial Year. - If customer wishes to have TDS recovered from CASA, same can be availed by filling separate declaration at branch. If interest Amount/Balance in CASA is insufficient to recover TDS, a hold will be marked on FD towards applicable TDS amount. The TDS will be recovered on next interest payout, partial FD closure, premature closure or when sufficient funds are available in CASA.
- For renewed deposits, the new deposit amount consists of the original deposit amount plus Interest Less TDS, if any, less compounding effect on TDS. For reinvestment deposit, the interest reinvested is post TDS recovery and "hence the maturity amount for reinvestment deposits would vary to the extent of tax and compounding effect on tax for the period subsequent of deduction till maturity.
- As Per Section 139A(5A) of IT Act, every person receiving any sum of income or amount from which tax has been deducted under the provisions of IT Act shall provide his PAN to the person responsible for deducting such tax. In case PAN is not provided as required, the bank shall not be liable for the non availment of the credit of Tax deducted at Source and non-issuance of TDS certificate.
- If your PAN is not updated with the Bank or is incorrect, please visit your nearest branch to submit your PAN details.
- No deductions of Tax shall be made from the taxable interest in the case of an individual resident in India, if such individual furnishes to the Bank, a declaration in writing in the prescribed Format (Form 15G / Form 15H as applicable) to the effect that the tax on his estimat ed total income for the year in which such interest income is to be included in computing his total income will be Nil. This is subject to PAN availability on Bank records.
- Deposit amount exceeding Rs 50 k or if aggregated value of all outstanding FDs/RDs booked in same customer id during the Financial Year exceeds INR 5Lakhs limit (*) then PAN/Form 60 is mandatory.
